William C. “Bill” Weaver, Jr. brings a wealth of operations, training and management experience to Jefferson Associates, Inc., and his position as Director – Business Development. He is a 1993 graduate of Sam Houston State University’s Leadership Command College. He has held a number of public and private sector positions including business development, product line management, project management, consultant, and sales and marketing and communications manager.

Bill worked for over 20 years in law enforcement and public safety communications in a large metropolitan police department (Houston, TX). He’s held a number of positions of increasing responsibility including task force manager, training manager, operations manager, chief of staff, community college educator and consultant. He is the recipient of numerous awards and citations of merit including 2 Chief of Police Commendations, 2 Mayoral Commendations, Officer/Investigator of the Year, and is the 1996 recipient of the prestigious **State of Texas Governor’s Professional Achievement Award in Public Safety Communications**.

Mr. Weaver’s other credits also include being a widely published author on public safety communications and command and control (C3) systems. He has published articles on command and control training, C3 systems integration, performance evaluation, communications center staffing and distribution models, geographic information systems and their use in public safety, and non-intrusive information sharing and virtual data warehouse technology at the local and regional public safety level, to name a few. He is listed in WHO’S WHO in the SOUTH and SOUTHWEST and WHO’S WHO in INFORMATION TECHNOLOGY, and is a recognized expert on emergency communications and communications, command and control systems.

Other notable accomplishments include:

Chair – 911 Center Operations Committee National Emergency Number Association
Chair – Emergency Telephone Notification Systems Committee
Chair – Private Call Center Standards Committee
Chair – National Public Safety Answering Point Registry Committee
